BALLOT TITLE

18 AMENDS CONSTITUTION: ALLOWS CERTAIN TAX DISTRICTS TO ESTABLISH PERMANENT PROPERTY TAX RATES AND DIVIDE INTO TAX ZONES

RESULT OF "YES" VOTE: "Yes" vote allows certain taxing districts to establish permanent tax rate limits and to divide into tax zones, if a double majority of voters approves.

RESULT OF "NO" VOTE: "No" vote retains limitation on taxing districts that may impose new property taxes and permanent rate limits, rejects option to approve tax zones and rates.

SUMMARY: Amends Constitution. Current law permits a local taxing district that has not previously imposed ad valorem property taxes and that seeks to impose such taxes to establish a permanent rate limit on property taxes, if a majority of the voters who vote on the question approve and, in other than a general election, a majority of the eligible registered voters vote. Measure amends law to permit local tax districts that have not imposed property taxes for any tax year beginning on or after July 1, 1990, to do so. Permits those districts to divide into up to 20 tax zones, each with a permanent rate limit if, using the same voting method, a majority in each zone approves the tax zone and its rate limit.

ESTIMATE OF FINANCIAL IMPACT: There is no financial effect on state or local government expenditures or revenues.

BALLOT TITLE

21 AMENDS CONSTITUTION: REVISES PROCEDURE FOR FILLING JUDICIAL VACANCIES, ELECTING JUDGES; ALLOWS VOTE FOR "NONE OF THE ABOVE"

RESULT OF "YES" VOTE: "Yes" vote revises manner of filling judicial vacancies; modifies ballots and election procedure in judicial elections; adds "None of the Above" as official judicial candidate.

RESULT OF "NO" VOTE: "No" vote retains the current manner of filling judicial vacancies and current election procedure where the judicial candidate receiving a plurality of votes is elected.

SUMMARY: Amends constitution. Currently, the governor fills midterm judicial vacancies by appointment; appointees serve until the vacancy is filled at the next general election held more than 61 days after the vacancy occurs. Measure requires midterm judicial vacancies to be filled by election at the closest May or November election held more than 90 days after the vacancy occurs. In all judicial elections, measure requires election ballot to list candidates and also list "None of the Above" as an available choice. If "None of the Above" receives more votes than all other candidates on the ballot, the judicial office remains unfilled until a candidate other than "None of the Above" receives a plurality of votes cast at subsequent May and/or November special elections. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: No financial effect on state or local government expenditures or revenues.

24 ALLOWS LICENSED DENTURISTS TO INSTALL PARTIAL DENTURES (REPLACEMENT TEETH); AUTHORIZES COOPERATIVE DENTIST-DENTURIST BUSINESS VENTURES

RESULT OF "YES" VOTE: "Yes" vote changes current law to allow licensed denturists to install partial dentures to replace missing teeth; authorizes denturists' joining cooperative business ventures with dentists.

RESULT OF "NO" VOTE: "No" vote retains current law allowing denturists to install full dentures, prohibiting partial dentures (removable replacement teeth), allowing restrictions on dentist-denturist cooperative business ventures.

SUMMARY: Current law allows both dentists and licensed denturists to install removable full upper or lower prosthetic dental appliances (dentures) in the human mouth. Current law prohibits licensed denturists from installing partial upper or lower dentures or removable replacement teeth. Current law allows only dentists to install partial upper or lower dentures that replace individual teeth with permanent or removable dental appliances. Current law allows restrictions on cooperative business or professional ventures between dentists and denturists. This measure would change current law (1) by allowing licensed denturists to install removable upper or lower partial dentures to replace missing natural teeth and (2) by authorizing dentists and licensed denturists to cooperate and maintain mutually agreeable business and professional associations, with each responsible for own area of expertise.

ESTIMATE OF FINANCIAL IMPACT: No financial effect on state or local government expenditures or revenues.

25 INCREASES OREGON MINIMUM WAGE TO $6.90 IN 2003; INCREASES FOR INFLATION IN FUTURE YEARS

RESULT OF "YES" VOTE: "Yes" vote increases the Oregon minimum wage to $6.90 in 2003; requires annual increases for inflation in future years, based on consumer price index.

RESULT OF "NO" VOTE: "No" vote rejects increasing Oregon minimum wage to $6.90 in 2003, requiring annual increases for inflation in future years based on consumer price index.

SUMMARY: Oregon's minimum wage is set by statute at $6.50 per hour. That minimum wage has applied since January 1999; current law does not adjust the minimum wage for inflation. This measure increases Oregon's minimum wage to $6.90 for calendar year 2003 and requires that minimum wage be increased for inflation in each subsequent year. Requires the Commissioner of the Bureau of Labor and Industries to calculate the adjustment for inflation each September, based on any increase in the U.S. City Average Consumer Price Index for All Urban Consumers for All Items that occurred during previous twelve months. Provides that recalculated minimum wage is rounded to nearest five cents and new minimum wage becomes effective January 1 of the following year. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: The measure would require state expenditures of $1.19 million in 2003, $1.22 million in 2004, and $1.26 million in 2005. The measure would result in an increase in state revenues of $847,000 in 2003, $872,000 in 2004, and $898,000 in 2005. For years after 2005 the impact on state expenditures and revenues is expected to increase at the rate of inflation.

The measure would require local government expenditures of at least $350,000 in 2003, $360,500 in 2004, and $371,315 in 2005. There will be no impact on local government revenues.

BALLOT TITLE

27 REQUIRES LABELING OF GENETICALLY-ENGINEERED FOODS (AS DEFINED) SOLD OR DISTRIBUTED IN OR FROM OREGON

RESULT OF "YES" VOTE: "Yes" vote requires labeling of foods derived from or processed using genetically-engineered (as defined) materials with label prepared by the Oregon Department of Agriculture.

RESULT OF "NO" VOTE: "No" vote rejects requiring labeling of foods derived from or processed using genetically-engineered (as defined) materials with label prepared by Oregon Department of Agriculture.

SUMMARY: Requires label stating "Genetically Engineered" on surface or outside packaging of genetically-engineered foods (as defined) sold or distributed in or from Oregon. Defines "genetically engineered" to mean produced by biological changes to the molecular or cell biology of an organism by means not possible under natural conditions; definition excludes breeding, hybridization, tissue culture, certain other processes. Applies to all foods derived from, or prepared with, genetically-engineered material, regardless of whether that material is present in the final product. Creates additional labeling requirements for genetically-engineered foods whose composition or nutritional value is significantly altered and those resulting from gene transfers from other species to allow those with dietary restrictions to observe those dietary guidelines. Legislature to implement and enforce requirements. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: The financial impact of this measure on state and local government expenditures cannot be determined because the Legislative Assembly must act to carry out this measure. There is no impact on state or local revenues.

The boundaries of the proposed District will correspond with the combined boundaries of the Hermiston Cemetery District and the City of Hermiston. 30-33 CHARTER AMENDMENT LIMITING USE OF CITY'S MOTOR VEHICLE FUEL TAX

QUESTION: Shall Charter be amended limiting use of City's motor vehicle fuel tax to underpass construction at or near SW 20th?

SUMMARY: The Pendleton City Council adopted Ordinance 3610, imposing a two cent per gallon motor vehicle fuel tax on Pendleton fuel dealers. The tax is now designated to fund the City's share of construction of an overpass crossing the UPRR at or near SW 20th Street between Westgate Avenue and SW Frazer Avenue.

Any of the vehicle fuel tax not spent at the time the amendment is adopted could only be used in connection with an underpass, not an overpass. Any amount not used for the required purpose may be refunded to the fuel dealers who paid it to the City.

This resolution is effective on passage.

UKIAH SCHOOL DISTRICT 80R

30-45 REDUCTION IN NUMBER OF SCHOOL BOARD MEMBERS

QUESTION: Shall the Ukiah School Board be reduced in size from seven to five board members?

SUMMARY: The District has seven board member positions. The law allows five members. The District has approximately 450 residents with a school enrollment of fifty students which includes the boarding school students. This small population does not warrant a seven member board. For the past several years there has always been at least one vacant position and usually two. Board members do not receive salaries. It is perceived that a smaller board may be more efficient, quorums will be easier to make and volunteers easier to recruit. The effective date will be July 1, 2003.

UMATILLA COUNTY SPECIAL LIBRARY DISTRICT

30-46 FOUR-YEAR LEVY FOR LIBRARY SERVICES FOR CHILDREN AND HOMEBOUND SENIORS

QUESTION: Shall Library District levy local option tax for four years beginning 2003-04, for library services for children and homebound seniors? This measure may cause property taxes to increase more than three percent.

SUMMARY: The libraries in the Umatilla County Special Library District offer limited or no year-round reading programs for children or homebound seniors. This measure would impose a four year local option levy of 12 cents per $1,000 of assessed value within the District. Funds would be used to provide early childhood reading and ready-to-learn programs for preschool children at registered child care sites and at each local library, and school-year reading programs and after-school activities for school-age children at each local library. Funds also would be used to provide reading materials and programs to homebound senior citizens through outreach visits by each local library.

Umatilla County Special Library District coordinates basic public library service at 11 of the 12 City libraries in the county. (The City of Hermiston is not a part of the Library District but receives some District funding to provide service to adjacent rural areas that are within the District.)

It is estimated that this proposed four year local option levy would raise a total of $1,310,680. For example, a property with an assessed value of $80,000 would pay eighty cents ($.80) per month, or $9.60 per year. The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate.

ECHO RURAL FIRE PROTECTION DISTRICT 7-403

30-47 5 YEAR LOCAL OPTION TAX

QUESTION: Shall the District levy a local option tax of $20,000 per year for 5 years. This measure may cause property tax to increase more than 3 percent. The tax would be imposed for fiscal year 2003.

SUMMARY: The proceeds of the local option tax will be a continuation of the local option tax currently in effect to offset tax revenue lost because of Ballot Measure #50. Echo Rural Fire Protection district #7-403 operates out of 3 fire stations and 12 vehicles covering 480 square miles. The option tax is needed to operate the Echo Fire District at its current level.

The total amount of the local option tax is $100,000 over 5 years. The estimated rate at present assessed value is $.30 per thousand. This is the best estimate of this time.
