Senate Joint Resolution 1—Referred to the Electorate of Oregon by the 1999 Legislature to be voted on at the Primary Election, May 16, 2000.

BALLOT TITLE

77 AMENDS CONSTITUTION: MAKES CERTAIN LOCAL TAXING DISTRICTS' TEMPORARY PROPERTY TAX AUTHORITY PERMANENT

RESULT OF "YES" VOTE: "Yes" vote changes portions of certain local districts' property tax authority from temporary to permanent.

RESULT OF "NO" VOTE: "No" vote retains current local districts' temporary and permanent property tax authority.

SUMMARY: Amends Constitution. Adjusts permanent limits on certain local taxing districts' property tax rates to include portions of temporary local option levy approved by voters for the 1997-1998 tax year. Adjustment limited to that portion of the local option levy that was approved in that district as a serial or one-year levy to replace an existing serial or one-year levy. Requires that district's temporary property tax levy authority be reduced by same amount as adjustment made to district's permanent property tax authority.

ESTIMATE OF FINANCIAL IMPACT: This measure affects both the permanent and local option tax rate limits only of Deschutes County, Linn County and the city of Sweet Home. In the first year, 2000-01, this measure will reduce the total authority for these three government units to impose operating taxes by a total of approximately $824,581. This measure shifts a part of the temporary local option authority of these three units to permanent rate authority. It requires their total tax authority to be reduced as outlined in the 1997 property tax limitation Measure 50. Deschutes County's total tax authority is estimated to be reduced by $289,415 in 2000-01. Their local option authority expires beginning the following year, 2001-02. Linn County's tax authority is estimated to be reduced by $397,118 in 2000-01 and $72,928 in 2001-02. Their tax authority would increase an estimated $267,472 in 2002-03, depending upon the growth in property values in the county. The city of Sweet Home's tax authority will be reduced by an estimated $138,076 in 2000-01, $100,300 in 2001-02, and $60,635 in 2002-03. Both Linn County's and the city of Sweet Home's local option authority expires beginning the following year, 2003-04.

In subsequent years, revenue estimates depend on whether local voters renew expiring levies. The level of local option tax authority that voters approve will also affect the total tax revenue effects from this measure. This measure does not affect a taxing district's ability to seek additional local option tax authority from local voters. The dollar amount raised from the new permanent tax rate authority established under this measure cannot be increased beyond the growth in assessed value. These estimates assume an assessed value growth of 5% based on historical trends.

There is no financial effect on state government revenue or expenditures.

Senate Joint Resolution 3—Referred to the Electorate of Oregon by the 1999 Legislature to be voted on at the Primary Election, May 16, 2000.

BALLOT TITLE

78 AMENDS CONSTITUTION: LENGTHENS PERIOD FOR VERIFYING SIGNATURES ON INITIATIVE AND REFERENDUM PETITIONS

RESULT OF "YES" VOTE: "Yes" vote lengthens period for verifying initiative, referendum petition signatures from 15 to 30 days.

RESULT OF "NO" VOTE: "No" vote retains current 15-day period for verifying signatures on initiative and referendum petitions.

SUMMARY: Amends Oregon Constitution. The constitution now requires the Secretary of State to determine whether an initiative or referendum petition contains the required number of qualified voters' signatures. The Secretary of State currently must do so within 15 days after the last day the petition may be filed. The measure would extend that period to 30 days after the last day the petition may be filed. The amendment becomes effective June 15, 2000, and applies to petitions filed on or after that date.

ESTIMATE OF FINANCIAL IMPACT: No financial effect on state or local government expenditures or revenues.

House Joint Resolution 21—Referred to the Electorate of Oregon by the 1999 Legislature to be voted on at the Primary Election, May 16, 2000.

BALLOT TITLE

79 AMENDS CONSTITUTION: INCREASES SIGNATURES REQUIRED TO PLACE INITIATIVE AMENDING CONSTITUTION ON BALLOT

RESULT OF "YES" VOTE: "Yes" vote increases number of signatures required to place initiative to amend constitution on ballot.

RESULT OF "NO" VOTE: "No" vote rejects increasing signatures required to place initiative to amend constitution on ballot.

SUMMARY: Amends constitution. Currently, initiative to amend Oregon Constitution can be placed on the ballot by a petition signed by a number of qualified voters equal to 8 percent of the total number of votes cast for all candidates at last election for Governor. Measure increases number of signatures required to place initiative to amend constitution on ballot to 12 percent of total number of votes cast for all candidates at last election for Governor. Applies to initiative submitted for vote after November 2000 election.

ESTIMATE OF FINANCIAL IMPACT: No financial effect on state government expenditures or revenues.

Counties are estimated to incur an additional $4,300, statewide, once every two years in additional signature verification costs.

Senate Joint Resolution 11—Referred to the Electorate of Oregon by the 1999 Legislature to be voted on at the Primary Election, May 16, 2000.

BALLOT TITLE

80 AMENDS CONSTITUTION: AUTHORIZES USING FUEL TAX, VEHICLE FEES FOR INCREASING HIGHWAY POLICING

RESULT OF "YES" VOTE: "Yes" vote authorizes using fuel tax, motor vehicle fees for increasing policing of highway system.

RESULT OF "NO" VOTE: "No" vote rejects allowing fuel tax, vehicle fee use for increasing policing of highway system.

SUMMARY: Amends Constitution. Currently constitution authorizes use of revenues from fuel tax and motor vehicle fees for: construction, reconstruction, improvement, repair, maintenance, operation, use of public highways, roads, streets, roadside rest areas; administration costs; highway bond retirement; certain parks and recreation costs. Measure authorizes additional use of such revenues to increase policing of public highways, roads, streets, roadside rest areas by sworn law enforcement officers. Requires that such use increase police agency budgets to provide service levels not previously authorized by budgets on measure's effective date.

ESTIMATE OF FINANCIAL IMPACT: This measure, alone, has no financial effect on state or local government expenditures or revenues. It allows the legislature to spend Highway Fund monies on additional highway patrol services. Local governments would also be authorized to spend road funds on additional patrol duties.

House Joint Resolution 2—Referred to the Electorate of Oregon by the 1999 Legislature to be voted on at the Primary Election, May 16, 2000.

BALLOT TITLE

81 AMENDS CONSTITUTION: ALLOWS LEGISLATURE TO LIMIT RECOVERY OF DAMAGES IN CIVIL ACTIONS

RESULT OF "YES" VOTE: "Yes" vote adds constitutional provision allowing legislature to limit recovery of damages in civil actions.

RESULT OF "NO" VOTE: "No" vote retains restrictions on legislature's authority to limit recovery of damages in civil actions.

SUMMARY: Amends Constitution: Under the Oregon Constitution, the right to jury trial restricts the legislature's authority to limit recovery of some kinds of damages in some civil actions. This measure overrides that restriction by adding a new constitutional provision expressly allowing the legislature to impose limits on damages that may be recovered in any civil action.

ESTIMATE OF FINANCIAL IMPACT: This measure, alone, has no financial effect on state or local government expenditures or revenues. It allows the legislature to limit recovery of damages in civil actions.

Proposed by referendum petition to be voted on at the Primary Election, May 16, 2000.

BALLOT TITLE

82 REPEALS TRUCK WEIGHT-MILE TAX; ESTABLISHES AND INCREASES FUEL TAXES

RESULT OF "YES" VOTE: "Yes" vote repeals truck weight-mile tax; establishes diesel tax; increases gas tax, registration fees.

RESULT OF "NO" VOTE: "No" vote retains weight-mile highway tax on trucks; rejects increasing gas tax, registration fees.

SUMMARY: Currently, motor carriers pay highway tax based on truck weight, miles driven. Measure repeals weight-mile tax. Establishes diesel fuel tax (29 cents per gallon). Increases gasoline tax by five cents to diesel tax rate. Raises vehicle registration fees. Additional revenue to be used primarily for road and bridge modernization, maintenance, and preservation. Requires licenses for diesel fuel suppliers, distributors, others. Requires recordkeeping, monthly tax reports by licensees. Authorizes transportation department to enforce requirements. Provides remedies for violations, including fines, penalties, criminal sanctions. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: This measure would increase gas tax revenues and expenditures an average of $140 million per year over five years. Of that increase, $39 million per year is allocated to counties, $22.5 million per year to cities, and $78.5 million per year to the state.

The measure also authorizes the sale of $600 million in bonds. Debt repayment, including interest, on those bonds is estimated to be $47 million per year for 15 years. The debt repayment, including interest, is included in the $78.5 million estimate of state expenditure stated above.

MILTON-FREEWATER UNIFIED SCHOOL DISTRICT NO.7
30-41

CAPTION: Milton-Freewater Unified School District General Obligation Bond Authorization

QUESTION: Shall the District be authorized to issue general obligation bonds not exceeding $20,840,000 to expand and improve its facilities? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

SUMMARY: This measure may be passed only at an election with at least a 50 percent voter turnout. If approved, proceeds would be used to:

- acquire land for future development;
- construct, equip and furnish two new elementary schools and one middle school which will replace the existing elementary schools and middle school;
- remodel, equip and improve other existing District facilities;
- refinance existing capital obligations of the District to equalize as much as possible the tax rate throughout the District.

Bonds will mature over a period not exceeding 20 years from date of issuance.
