## Ballot Title

# 68

Revises Constitution: Allows state to issue bonds to match voter approved school district bonds for school capital costs.

### Result of “yes” vote

“Yes” vote allows state to issue bonds to match voter approved school district bonds for school capital costs. Dedicates lottery funds for matching funds and repayment.

### Result of “no” vote

“No” vote retains current law prohibiting state and restricting local districts from issuing bonds to pay for school capital costs, including acquisition, construction, repair and improvement.

### Summary

This measure would revise the Oregon Constitution to allow voters to approve local district bonds for school capital costs and the state to issue bonds and use the revenue from those bonds to help local school districts pay for capital costs. The Constitution currently limits voters’ ability to approve local district bonds for school capital costs and prevents the state from issuing bonds to help local districts pay for school capital costs. “Capital costs” include costs for acquisition, construction, repair and improvement, but not routine maintenance or supplies. State funds may be used only to match funds approved by voters in local districts. The measure would dedicate 15 percent of state lottery revenues to a “school capital matching fund” to repay state funds provided to districts. State bonds may not be repaid by raising property taxes. Contains other provisions.

## Ballot Title

# 69

Amends Constitution: Continues and modernizes authority for lowest cost borrowing for community colleges and public universities.

### Result of “yes” vote

“Yes” vote continues and modernizes state authority to issue lowest cost bonds to finance projects for the benefit of community colleges and public universities.

### Result of “no” vote

“No” vote rejects modernization of authority to issue lowest cost bonds to finance projects for the benefit of community colleges and public universities.

### Summary

This measure continues and modernizes the state’s authority to use general obligation bonds, the lowest cost method of borrowing, to finance projects for community colleges and public universities. It does not increase the current limit on borrowing. The measure clarifies that community colleges and public universities may purchase existing buildings with the proceeds of general obligation bonds. It also allows the Oregon University System to use nontax revenues to determine whether bonds to be issued under Article XI-F(1) are self-supporting. The measure allows Article XI-F(1) and XI-G bond proceeds to be used for the same parts of a project and to be used for mixed-use projects that benefit higher education. It allows nontax revenues to be used as matching funds for Article XI-G bond proceeds.

## **City of Hermiston**

### **Measure NO : 30-43**

**Caption:** Hermiston Bonds for the Hermiston Higher Education Center

**Question:** Shall Hermiston issue \$800,000 of general obligation bonds for the Hermiston Higher Education Center? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

**Summary:** If approved, this measure would authorize the City of Hermiston to issue not more than \$800,000 of bonds for costs of capital construction and improvements at the Hermiston Higher Education Center, including providing additional classrooms and a student open study area. The projects financed would be owned by Blue Mountain Community College. Bonds would mature in 21 years or less from issuance and may be issued in one or more series. The estimated additional annual cost to property owners if all \$800,000 in bonds are issued would be about \$0.09 per \$1,000 of assessed valuation. For the owner of a home with an assessed value of \$100,000, the city estimates that the additional cost would be about \$0.75 per month, or \$9 per year.

## **City of Umatilla**

### **Measure NO : 30-44**

**Caption:** Remove Specific Earmark Provisions for Transient Room Tax Revenue

**Question:** Shall the City of Umatilla remove specific earmark provisions for transient room tax funds?

**Summary:** The measure would repeal certain voter approved sections of the Umatilla City Code of Ordinances that direct expenditures of Transient Room Tax revenue to specific uses. Currently, one-half of revenues are directed to the Umatilla Chamber of Commerce and one-half are to be used for the Old Town Site and river frontage development. The Transient Room Tax committee and the Umatilla City Council would continue to have responsibility over expenditures. Since Umatilla voters directed Transient Room Tax funds to certain uses in 1989, a vote of the people is required to modify the process for budgeting Transient Room Tax revenues and expenditures.

## **City of Umatilla**

### **Measure NO : 30-45**

**Caption:** Amend Umatilla City Code increasing the Transient Room Tax to 3.5%

**Question:** Shall the City of Umatilla amend Umatilla City code to increase the transient room tax to 3.5%?

**Summary:** The Transient Room Tax would be increased from one-dollar per occupied room to 3.5% of the rent charged by hotel, motel and recreational vehicle park operators. Oregon Revised Statutes require that any increases to the Umatilla Transient Room Tax, after 2003, be directed to uses established by State of Oregon law. Therefore, 70 percent of any revenues received from the increased tax shall be directed to fund tourism promotion or tourism related facilities, city services and debt obligations of tourism-related facilities. No more than 30 percent of net revenue from the increased tax may be used to fund city services. Although this tax will not affect local property taxes, the Umatilla City Charter requires all tax increases be approved by a vote of the people.

## **Umatilla Morrow Radio & Data District**

### **Measure NO : 30-83**

**Caption:** Formation of Umatilla Morrow Radio & Data District

**Question:** Shall the Umatilla Morrow Radio & Data District be formed?

**Summary:** This measure provides for the formation of the Umatilla Morrow Radio & Data District. The district would be established encompassing all of Morrow County, and all of Umatilla County except within the city limits of the City of Milton-Freewater and within the boundaries of the Umatilla Indian Reservation. The district will be used to operate public safety radio systems. These radio systems are used by first responders, including fire districts, law enforcement agencies, ambulance service providers and 911 dispatchers, to communicate. The district would be governed by its own board of five members to be elected on an at-large basis by the electors of the district.

## **Umatilla Morrow Radio & Data District**

### **Measure NO : 30-84**

**Caption:** Umatilla Morrow Radio & Data District Permanent Rate Limit

**Question:** Shall the District be authorized to have a permanent rate limit of \$0.17 per \$1,000.00 assessed value beginning FY2010-11?

**Summary:** This measure establishes a permanent rate limit of \$.17 per \$1,000 assessed value for the Umatilla Morrow Radio & Data District. A home assessed at \$100,000 would pay \$17.00 per year. The estimated total amount that would be collected by the district is \$915,000. The district may levy a lower rate. This permanent rate is an upper limit that by law can never be raised.

E

**Pendleton School District 16-R**

**Measure NO : 30-85**

**Caption:** Five-year Local Option Tax for General Operations

**Question:** Shall the District impose \$.40 per \$1,000 of assessed value for general operations for five years beginning 2010-2011? This measure renews current local option taxes.

**Summary:** This measure would authorize the District to continue to levy property tax at a rate of \$0.40 per thousand dollars assessed valuation each year commencing the fiscal year beginning July 1, 2010 for five consecutive years. The proposed rate would raise approximately \$340,000 in tax revenues in each of the five years of the levy. The District would use the tax revenue from this measure to operate the district at its present level of service; to finance educational programs and to purchase instructional materials and textbooks.
