SIXES RFPD
MEASURE 08-51

SIXES RURAL
FIRE PROTECTION DISTRICT (RFPD)
TEN YEAR TAX LEVY

QUESTION: Should the District levy a ten year tax increase to \$1.50 per \$1,000 assessed value beginning fiscal year 2007? This measure may cause property taxes to increase more than three percent.

SUMMARY: This Measure is proposed by the elected Board of the Sixes RFPD. Currently property in the Sixes RFPD is assessed at \$0.515 per \$1,000 assessed value. By comparison, the annual tax rate for the Langlois Rural Fire Protection District is \$1.5974 per thousand. If approved by majority vote, this Measure would increase the Sixes RFPD's tax rate by \$0.98 to \$1.50. Thus the tax on a property assessed at \$100,000 would increase by \$98.00 from \$51.50 to \$150.00 per year. This proposed levy would increase the District's annual tax revenue by approximately \$20,000.00. Funds raised by this Measure would be used, among other District purposes, to construct a new fire station on leased property approximately 4.5 miles up Sixes River Road and to replace obsolete fire response equipment. The District's two first response engines are more than 32 years old and the water tenders are even older. Further repairs would not be cost-effective. The proposed improvements could result in lower fire insurance premiums, potentially off-setting any tax increase. The estimated tax cost for this measure is an ESTIMATE ONLY, based on the best information available from the Curry County Assessor at the time of estimate.

FULL TEXT OF BALLOT TITLES—GENERAL ELECTION—NOVEMBER 7, 2006

STATE OF OREGON

ONLY THE CAPTION AND QUESTION WILL APPEAR ON YOUR OFFICIAL BALLOT AND ONLY THE APPROPRIATE MEASURES FOR EACH PRECINCT WILL APPEAR ON THAT PRECINCT'S BALLOT.

45 AMENDS CONSTITUTION: LIMITS STATE LEGISLATORS: SIX YEARS AS REPRESENTATIVE, EIGHT YEARS AS SENATOR, FOURTEEN YEARS IN LEGISLATURE

RESULT OF "YES" VOTE: "Yes" vote limits state legislators to six years as representative, eight years as senator, total of fourteen years in Legislative Assembly. Includes previous legislative service.

RESULT OF "NO" VOTE: "No" vote retains current state law, which does not limit length of service as state representative, as state senator, or in the Legislative Assembly overall.

SUMMARY: Amends Constitution. Existing law does not limit the number of years or terms that a person may serve in the Oregon legislature. This measure provides that no person shall serve more than six years in the House of Representatives, eight years in the Senate, and no more than a total of 14 years in the Oregon legislature. Includes all years of legislative service before measure's effective date, but legislators duly elected on or before January 1, 2007, shall be allowed to complete their terms of office. Prohibits current legislators from seeking reelection if service will cause that person to exceed limits. Measure confers standing to enforce limits on all persons residing in Oregon and nonprofit business entities doing business in Oregon. Severability provision. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: There is no financial effect on state or local government expenditures or revenues.

46 AMENDS CONSTITUTION: ALLOWS LAWS REGULATING ELECTION CONTRIBUTIONS, EXPENDITURES ADOPTED BY INITIATIVE OR 3/4 OF BOTH LEGISLATIVE HOUSES

RESULT OF "YES" VOTE: "Yes" vote amends Constitution to allow laws limiting or prohibiting election contributions and expenditures if adopted by initiative process of 3/4 of both legislative houses.

RESULT OF "NO" VOTE: "No" votes retains current ban in Oregon Constitution on laws that limit or prohibit political campaign contributions or expenditures by any person or any entity.

SUMMARY: Amends the Oregon Constitution. The Oregon Constitution currently bans laws that impose involuntary limits on, or otherwise prohibit, political campaign contributions or expenditures by any person or any entity. The measure amends the Oregon Constitution to allow laws, if they are enacted or amended through the ballot initiative process or by the Legislative Assembly by a three-fourths vote of both houses, that limit or prohibit campaign contributions and expenditures to influence the outcome of any election. The measure allows such limitations or prohibitions to apply to election contributions and expenditures of any type or description. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: There is no financial effect on state or local government expenditures or revenues.

47 REVISES CAMPAIGN FINANCE LAWS: LIMITS OR PROHIBITS CONTRIBUTIONS AND EXPENDITURES; ADDS DISCLOSURE, NEW REPORTING REQUIREMENTS

RESULT OF "YES" VOTE: "Yes" vote limits or prohibits certain contributions and expenditures to candidates, political committees, political parties; limits candidate's spending to own candidacy; adds disclosure, reporting requirements.

RESULT OF "NO" VOTE: "No" vote retains current law, which does not limit contributors, contributions to, or expenditures for state or local public office candidates; maintains existing reporting requirements.

SUMMARY: Current law requires reporting of certain contributions and expenditures, but does not limit contributors, contributions to, or expenditures for public office candidates. Measure limits individual contributions to candidates, political committees, "small donor committees," political parties, with annual cap for all contributions; limits political committee, political party contributions to candidates and each other; allows unlimited contributions by "small donor committees" (accepting only individual contributions not exceeding \$50 annually). Prohibits corporate, union, organizational contributions and expenditures except through political committees funded solely by individuals. Prohibits candidate loans. Limits: candidate's spending to own candidacy; "independent expenditures" (defined) by individuals, political entities, organizations. Establishes: new disclosure, reporting requirements; procedure for increasing measure's limits to comply with state and federal constitutions. Unspent candidate funds revert to state. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: The measure will require \$1,012,020 in state expenditures in the first year, and less than \$100,000 of state expenditures each year thereafter.

This measure has no financial effect on state government revenues.

This measure has no direct financial effect on local government revenue or expenditures.

48 AMENDS CONSTITUTION: LIMITS BIENNIAL PERCENTAGE INCREASE IN STATE SPENDING TO PERCENTAGE INCREASE IN STATE POPULATION, PLUS INFLATION

RESULT OF "YES" VOTE: "Yes" vote amends constitution to limit the percentage increase in state spending from biennium to biennium to the percentage increase in state population plus inflation.

RESULT OF "NO" VOTE: "No" vote retains existing statute capping appropriations on basis of personal income in Oregon; rejects adding constitutional provision limiting spending increases to population increase, inflation.

SUMMARY: Amends constitution. Oregon statute currently limits state appropriations to 8% of projected personal income in Oregon (with certain exceptions). If Governor declares emergency, legislature may exceed current statutory appropriations limit by 60% vote of each house. Measure adds constitutional provision limiting increase in state spending from one biennium to next biennium to percentage increase in state population, plus inflation, over previous two years. Certain exceptions to limit, including spending of: federal, donated funds; proceeds from selling certain bonds, real property; money to fund emergency funds; money to fund tax, "kicker," other refunds. Measure provides that spending limit may be exceeded by amount approved by two-thirds of each house of legislature and approved by majority of voters voting in general election. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: The measure puts a new limit on state budget spending for each two-year budget.

It is unclear when the measure would first apply. If it first applies to the 2007-2009 budget, the measure would reduce money available to fund state services by \$2.2 billion. If it first applies to the current budget, state spending must be reduced by \$2.5 billion by July 2007, and expected spending must be reduced by \$4.9 billion for 2007-2009.

The state budget now pays for public schools, health care, prisons, roads, bridges, forest fire protection and other services. In addition, the state transfers approximately 2/3 of its funds to cities, counties, school districts, and health care providers. The measure does not specify which programs would be affected by the spending limit.

The measure will limit state bond programs and will have a negative impact on the state's credit rating.

The measure does not directly limit local government spending.

STATE OF OREGON

STATE MEASURES

PROPOSED BY INITIATIVE PETITION

39 PROHIBITS PUBLIC BODY FROM CONDEMNING PRIVATE REAL PROPERTY IF INTENDS TO CONVEY TO PRIVATE PARTY

RESULT OF "YES" VOTE: "Yes" vote prohibits public body from condemning certain private real property if it intends to convey all or part to a private party, with exceptions.

RESULT OF "NO" VOTE: "No" vote retains current law, allowing government to acquire private real property required for an authorized public purpose that involves transferring property to private party.

SUMMARY: The Oregon Constitution allows public bodies to condemn real property required for a public purpose, requires compensation to property owner. Statutes permit owner to challenge amount of compensation in court. Measure prohibits public bodies from condemning private residence, business establishment, farm, or forest operation if government intends to convey all or part of the property to another private party. Measure excludes property condemned as dangerous to health or safety, or for transportation or utility services; allows government to lease condemned property for accessory retail uses. Requires court to decide whether public body unlawfully intended to convey the property to another private person. Expands rights to attorney fees and costs if court prohibits condemnation or if compensation awarded is more than government's initial offer. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: This measure could require annual state budget expenditures of approximately \$8 million to \$17 million a year.

This measure has no financial effect on state government revenue.

This measure could require local government expenditures of between \$8 million to \$13 million a year.

This measure has no financial effect on local government revenue.

(See Voters' Pamphlet for Explanation of this financial estimate).

40 AMENDS CONSTITUTION: REQUIRES OREGON SUPREME COURT JUDGES AND COURT OF APPEALS JUDGES TO BE ELECTED BY DISTRICT

RESULT OF "YES" VOTE: "Yes" vote requires Oregon Supreme Court, Court of Appeals judges to be elected by, and reside in, legislatively established districts, which are based on population.

RESULT OF "NO" VOTE: "No" vote retains the current system for electing Oregon Supreme Court judges and Court of Appeals judges by statewide vote with no district residency requirement.

SUMMARY: Amends constitution. Currently, Oregon Supreme Court, Court of Appeals judges are elected by statewide vote; judges must live within state but have no other residency requirements. Measure divides state into seven population-based districts for electing Supreme Court judges; electors from each district elect one Supreme Court judge. Measure divides state into five population-based districts for electing other appellate court judges (except Tax Court); electors from each district elect two appellate court judges. Requires Supreme Court, Court of Appeals judges to reside within their districts; legislature to establish judicial districts and reapportion them when reapportioning legislative districts. Revises requirements for appointments to judicial vacancies and recall of judges; candidate is not considered incumbent when first running in newly created or reapportioned district. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: The financial effect of the measure on state government expenditures cannot be determined. The cost to implement the measure could range from none to \$1.5 million per two-year budget period.

The measure will have no financial effect on state government revenue.

The measure will have no direct financial effect on local government expenditures or revenue.

See Voters' Pamphlet for Explanation of this Financial Impact.

41 ALLOWS INCOME TAX DEDUCTION EQUAL TO FEDERAL EXEMPTIONS DEDUCTION TO SUBSTITUTE FOR STATE EXEMPTION CREDIT

RESULT OF "YES" VOTE: "Yes" vote allows personal income tax deduction equal to total federal deduction for all exemptions to substitute for state exemption credit; reduces revenue to state.

RESULT OF "NO" VOTE: "No" vote rejects allowing personal income tax deduction equal to total federal deduction for all exemptions to substitute for state exemption credit.

SUMMARY: To determine taxable income for federal personal income tax, taxpayers generally may claim deduction (\$3,100 maximum in 2004) for each exemption; exemption exists for taxpayer, spouse, each dependent. For state income tax purposes, taxpayers currently may not claim deductions based on federal return's exemptions but may subtract exemption credit (\$151 in 2004, multiplied by number of federally-allowed exemptions) from state income tax liability. Measure authorizes a deduction on state income tax return for each dependent, taxpayer, and spouse claimed as exemption on federal return; the deduction shall be no less than total deduction for all exemptions on federal return; exemption credit may substitute for the deduction if lower tax results. Reduces revenue available for state expenditures; provides no replacement revenue. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: This measure will reduce state budget revenues from personal income taxes. The reduction will be approximately \$151 million for 2006-07. In 2007-08 the measure will reduce state budget revenues by \$385 million and reduce the 2007 personal income tax "kicker" by \$151 million. The measure will reduce state budget revenues \$407 million for 2008-09 and \$430 million for 2009-10. The annual impact will increase over time due to population growth and increases in the amount of the federal income tax personal exemption, which is indexed for inflation.

The measure will require \$114,750 in state expenditures to pay for the cost of implementation.

The measure will have no direct financial effect on local government revenue or expenditures.

See Voters' Pamphlet for Explanation of this Financial Estimate.

42 PROHIBITS INSURANCE COMPANIES FROM USING CREDIT SCORE OR "CREDIT WORTHINESS" IN CALCULATING RATES OR PREMIUMS

RESULT OF "YES" VOTE: "Yes" vote prohibits insurance companies and their agents from using the credit score or "credit worthiness" of insured or applicant in calculating rates or premiums.

RESULT OF "NO" VOTE: "No" vote retains existing law, which restricts, but does not prohibit, the use of credit scores or "credit worthiness" in calculating insurance rates or premiums.

SUMMARY: Current state law requires certain disclosures before a consumer's credit history may be obtained by an insurance company or agent and provides certain restrictions on the use of a consumer's credit history in determining insurance rates. This measure prohibits insurance companies and agents that sell or market medical, health, accident, automobile, fire, or liability insurance, or any combination of policies providing such coverage to consumers from quoting, offering, or charging, directly or indirectly, rates or premiums based solely or in part upon the credit score or "credit worthiness" of an insured or an applicant for insurance. This measure does not apply to policies already in effect, but it shall apply to all policies commenced, changed, amended, or renewed after the measure's effective date. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: There is no financial effect on state or local government expenditures or revenues.

43 REQUIRES 48-HOUR NOTICE TO UNEMANCIPATED MINOR'S PARENT BEFORE PROVIDING ABORTION; AUTHORIZES LAWSUITS, PHYSICIAN DISCIPLINE

RESULT OF "YES" VOTE: "Yes" vote requires abortion provider to give 48-hour written notice to unemancipated minor's parent, with certain exceptions. Authorizes administrative discipline for physicians, parental lawsuits.

RESULT OF "NO" VOTE: "No" vote retains current law allowing medical provider to provide minor 15 or older medical treatment, abortion, without parental notification; younger minors require parental consent.

SUMMARY: Current law provides that minor 15 years or older may consent to and obtain medical treatment, including abortion, without parent notification; physician may notify parent without minor's consent. Minors 14 years or younger must obtain parental consent before treatment. Measure requires that provider notify unemancipated minor's parent 48 hours before performing abortion. Notification means written notice to parent by certified mail at parent's residence. Exceptions to notice requirement for documented medical emergencies, which do not include rape or incest. Unemancipated minor may apply for administrative hearing requesting abortion without notice to parent. Hearing shall be confidential, open only to minor, counsel, witnesses, judge. Failure to notify parent may subject provider to civil liability to parent; physicians face administrative sanctions, license suspension, or revocation. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: This measure will require annual state budget expenditures of \$112,238.

This measure has no financial effect on state government revenues.

This measure has no direct financial effect on local government revenue or expenditures.

44 ALLOWS ANY OREGON RESIDENT WITHOUT PRESCRIPTION DRUG COVERAGE TO PARTICIPATE IN OREGON PRESCRIPTION DRUG PROGRAM

RESULT OF "YES" VOTE: "Yes" vote expands eligibility to participate in Oregon Prescription Drug Program to Oregon residents who have no prescription drug coverage (except Medicare), eliminating current restrictions.

RESULT OF "NO" VOTE: "No" vote retains current law limiting participation in Oregon Prescription Drug Program to Oregon residents over age 54 who meet income limit, past coverage limitation.

SUMMARY: Existing law authorizes the Oregon Prescription Drug Program, which is intended to reduce prescription drug costs and to make prescription drugs available to participants at the lowest possible cost. Existing law authorizes the program's administrator, among other things, to negotiate price discounts, to purchase prescription drugs on behalf of participants, and to reimburse pharmacies. Under current law, Oregon residents over age 54 whose gross annual income does not exceed 185 percent of the federal poverty guidelines and who have not had private prescription drug benefit coverage for the past 6 months are eligible to participate in the Program. Measure eliminates those restrictions and expands Program eligibility to all Oregon residents who have no prescription drug coverage except Medicare Part D. Provides no funding. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: There is no direct financial effect on state or local government expenditures or revenue.

SEE THE BALLOT TITLES FOR MEASURES 45, 46, 47 AND 48 ON THE OTHER SIDE OF THIS SHEET.
