**08/33 CAPTION : BROOKINGS - HARBOR SCHOOL DISTRICT NO 17-C, GENERAL
OBLIGATION BOND AUTHORIZATION**

QUESTION: Shall the District be authorized to issue general obligation bonds in an amount not exceeding \$14,000,000? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

SUMMARY: Schools in the District have an immediate need for additional classrooms and other support facilities to adequately serve students. CAMPUS BONDS**

QUESTION: Shall the College district be authorized to contract a general obligation bonded indebtedness in an amount not to exceed \$9,000,000? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of Section 11 and 11b of Article XI of the Oregon Constitution.

Funds spent in Curry County will be proportionate to the current tax base in Curry County; funds spent on the main campus will be proportionate to the current tax base in Coos and Douglas Counties. Bonds would mature over a period not to exceed 25 years. The total projected estimated cost of the bonds is principal of \$9.0 million and interest of \$9,556,948 at an average annual estimated interest rate of 5.91%. The average annual revenue is estimated to be \$773,207. The estimated property tax rate, based on a level levy, would be 12.4 cents per \$1,000 of assessed value. This is equal to \$12.40 per year for a home assessed at \$100,000.

Measure authorizes Director of Veterans' Affairs to establish standards and priorities for granting loans from fund to veterans. Measure eliminates requirement that part of active duty be served between September 15, 1940, and December 31, 1976. Measure provides that active duty includes service in operations for which certain awards are authorized, and does not include training. Measure eliminates outdated language.

ESTIMATE OF FINANCIAL IMPACT: The measure authorizes the issuance of additional bonds for veterans home and farm loans in an amount that will be approximately \$50 million during each two-year budget period.

There is no impact on local government expenditures or revenues.

SUMMARY: This measure retains section 15, Article XI of the Oregon Constitution, which requires state legislature to pay local governments for costs of new state-mandated programs or increased level of services for state-mandated programs if costs are not paid, local governments need not comply with law or rule requiring program or service. RESULT OF "YES" VOTE: "Yes" vote establishes constitutional requirement to refund general fund revenues exceeding state estimates to taxpayers.

RESULT OF "NO" VOTE: "No" vote rejects constitutional requirement to refund general fund revenues exceeding state estimates to taxpayers.

SUMMARY: Amends Constitution. Current statutes require state to estimate future general fund revenues from corporate income/excise taxpayers and from personal income taxpayers and require to allocate to either of those two categories of taxpayers when revenues received from that category of taxpayers exceed estimate by two percent. Measure creates constitutional provision establishing such "kicker" refund determinations and requiring refunds when revenues received exceed estimates by two percent. Allows legislature to determine flow revenues shall be returned to taxpayers. First applies to biennium beginning July 1, 2001.

RESULT OF "YES" VOTE: "Yes" vote increases maximum deductible on Oregon income tax returns for federal income taxes paid.

RESULT OF "NO" VOTE: "No" vote retains current cap on amount deductible in Oregon for federal income taxes paid.

SUMMARY: Under current Oregon law, taxpayers may deduct up to \$3000 on their Oregon income tax returns for federal income taxes paid; spouses filing their Oregon tax returns separately may deduct up to \$1,500. Requires cost of living adjustment for calendar years beginning on or after January 1, 2003. Provides no replacement funds and reduces revenues available for general government expenditures.

RESULT OF "YES" VOTE: "Yes" vote makes federal income taxes fully deductible on Oregon personal corporate income tax returns.
RESULT OF "NO" VOTE: "No" vote retains current system limiting federal income tax deduction on Oregon income tax returns.

SUMMARY: Amends Constitution. Under current Oregon law, personal income tax payers, including individuals, may deduct money paid in federal income tax; deduction generally limited to \$30,000. Currently corporations paying Oregon income tax get no deduction for federal income tax. Measure makes all federal income tax paid by personal and corporate income taxpayers a deduction on the tax payers' Oregon income tax returns. Applies only to federal income taxes on income subject to Oregon taxation. Measure effective in tax years starting on or after January 1, 2000.

It is unclear whether this measure applies to corporate excise tax payers. If it does, state revenues will be reduced by an additional \$68 million for 2000-01 (the second half of the current budget period).

State revenues will be reduced \$800 million to \$1 billion per year beginning in 2001-02, depending upon growth in personal income and federal tax liability, and whether the measure applies to corporate excise taxpayers.

The measure may result in a reduction of state-shared revenues to local governments.

Requires repeal and refund of certain recent tax, fee increases unless voters approve increase. Exempts some charges, bonded indebtedness, public safety levies from new approval requirement.
