CITY OF GOLD BEACH
MEASURE 08-45

SEVEN YEAR CAPITAL
PROJECTS LOCAL OPTION FIRE
TRUCK TAX

Question: Shall City impose \$40,000 for seven years for purchase of a fire truck beginning in 2005-06?

SUMMARY: This measure imposes \$40,000 for seven years to purchase a replacement fire truck. Fire trucks average a useful life of thirty years. New fire trucks currently cost between \$300,000 and \$600,000. Purchase of the new fire truck is expected by June 30, 2012. The Gold Beach Wedderburn Rural Fire Protection District, to which the City provides fire protection services, will contribute \$91,000 to the purchase price. The total amount to be raised by this local option tax is \$280,000.

MEASURE 08-46

MERGER OF
KNOXTOWN SANITARY DISTRICT
WITH THE
WEDDERBURN SANITARY
DISTRICT

QUESTION: Shall the voters of the Wedderburn Sanitary District approve merger with the Knoxtown Sanitary District forming a new Sanitary District?

SUMMARY: This measure is to merge the operation and management of the Wedderburn Sanitary District and the Knoxtown Sanitary District, by forming a single new sanitary district to be known as the Wedderburn Sanitary District. The geographic boundary of the new sanitary district will consist of the geographic boundaries of each affected district as of August 27, 2004. The Board of Directors of each sanitary district initiated the merger process by resolution duly adopted by each district. A majority of voters in each district must approve the merger. If merger is approved, all assets of the existing districts will be turned over to the successor district and the successor district will become liable for all obligations of the merging districts. If this measure is adopted by the voters, a joint meeting of the merged districts will be held and a new three member board of directors for the successor district will be elected, one member from Wedderburn and two members from Knoxtown, which will then approve the merger.

CITY OF PORT ORFORD
MEASURE 08-48

LOCAL OPTION TAX LEVY
FOR FUNDING
PORT ORFORD POLICE FORCE.

QUESTION: Shall a \$1.41 per \$1,000 assessed value local option tax be levied for Police operations during fiscal years 2005-2009. This measure may cause property taxes to increase by more than three percent.

SUMMARY: The purpose of this local option tax measure is to fund the operations of the City of Port Orford Police Department. The previous local option tax revenue measure expires at the end of the 2004-2005 fiscal year. If the local option tax measure is not enacted, then the City will eliminate the Police Department, since there are insufficient property tax revenues to pay for general city operations and fund the Police Department. The local option tax imposed by this measure will be for four years, beginning with the 2005-2006 fiscal year. It is estimated that the local option taxes to be raised each year will be \$108,806.58 in FY 2005-2006, \$112,070.78 in FY 2006-2007, \$115,432.90 in FY 2007-2008, and \$118,895.89 in FY 2008-2009.

CITY OF PORT ORFORD
MEASURE 08-49

ADOPTION OF NEW CHARTER
FOR CITY OF PORT ORFORD

QUESTION: Shall a new charter for the City of Port Orford be adopted, replacing the city's current 1976 charter.

SUMMARY: Replaces current charter to remove ambiguities and follow model suggested by League of Oregon Cities. Retains language that city has all powers granted and allowed by State of Oregon and United States constitutions, statutes and common law. Provides that council consists of mayor and six councilors. Councilors must reside within city limits for at least one year immediately before election or appointment. Mayor shall be a member of the council with voting rights. 1976 charter states that an appointee to fill a vacancy on the council serves until next general election at which time an election shall be held for the unexpired term of predecessor. Proposed charter states that appointee's term of office runs from appointment until expiration of the term of office of the last person elected to that office. Establishes the office of city manager as the administrative head of the city government. City manager may appoint and remove department heads with council approval. Removes fiscal officer responsibilities from city recorder duties. If approved, new charter will be effective January 1, 2005.

STATE MEASURES

REFERRED TO THE PEOPLE
BY THE LEGISLATIVE ASSEMBLY

31 AMENDS CONSTITUTION: AUTHORIZES LAW PERMITTING POSTPONEMENT OF ELECTION FOR PARTICULAR PUBLIC OFFICE WHEN NOMINEE FOR OFFICE DIES

RESULT OF "YES" VOTE: "Yes" vote amends constitution to authorize law providing that an election for a particular public office may be postponed when nominee for that office dies.

RESULT OF "NO" VOTE: "No" vote retains existing law, which contains no provision permitting postponement of an election for a particular public office when nominee for that office dies.

SUMMARY: Amends constitution. Current law does not provide for the enactment of a law postponing an election for a particular public office when a nominee for that office dies. Measure authorizes the legislature to enact a law permitting postponement of an election for a particular public office when a candidate nominated for that office dies; in that circumstance, the legislature may enact a law: (1) allowing the postponement of the regularly scheduled election for the office in question; (2) allowing the office in question to be filled at a subsequent election; and (3) prohibiting the votes cast for candidates at the regularly scheduled election for the office in question from being considered. Measure does not affect election process for other candidates or measures on the ballot.

ESTIMATE OF FINANCIAL IMPACT: There is no financial effect on state or local government expenditures or revenues.

32 AMENDS CONSTITUTION: DELETES REFERENCE TO MOBILE HOMES FROM PROVISION DEALING WITH TAXES AND FEES ON MOTOR VEHICLES.

RESULT OF "YES" VOTE: "Yes" vote allows taxes and fees on mobile homes to be used for nonhighway purposes.

RESULT OF "NO" VOTE: "No" vote retains restriction on use of taxes and fees on mobile homes.

SUMMARY: This measure authorizes expenditure of taxes and fees on mobile homes for nonhighway purposes. Under current law, taxes and fees on mobile homes are required to be spent for highway or administrative purposes, but may also be used for park purposes.

ESTIMATE OF FINANCIAL IMPACT: There is no financial effect on state or local government expenditures or revenues.

PROPOSED BY INITIATIVE PETITION

33 AMENDS MEDICAL MARIJUANA ACT: REQUIRES MARIJUANA DISPENSARIES FOR SUPPLYING PATIENTS/CAREGIVERS; RAISES PATIENTS' POSSESSION LIMIT

RESULT OF "YES" VOTE: "Yes" vote amends Medical Marijuana Act: requires creating marijuana dispensaries to supply patients/caregivers; allows dispensary/caregiver sales to patients; increases amount patients may possess.

RESULT OF "NO" VOTE: "No" vote retains current Oregon Medical Marijuana Act, which allows registered patients to possess limited amounts of marijuana for medical purposes, and prohibits marijuana sales.

SUMMARY: Oregon Medical Marijuana Act currently allows registered patients to possess/deliver/produce limited amounts of marijuana for medical purposes. Current law prohibits all marijuana sales, including sales to patients. Measure creates licensing program for nonprofit, regulated medical marijuana dispensaries, which may supply six pounds marijuana yearly per patient. Permits dispensaries to sell marijuana to registered patients/caregivers; percentage of proceeds funds program. Requires dispensaries to provide indigent patients marijuana. Requires county health departments in counties without licensed dispensaries to become dispensaries and supply marijuana to registered patients. Allows designated caregivers to sell marijuana to their registered patients. Increases marijuana registered patients may possess to ten mature plants, any number seedlings, one pound usable marijuana (six pounds if patient grows only one crop yearly). Other provisions.

ESTIMATE OF FINANCIAL IMPACT: The measure would require state expenditures of \$340,000 to \$560,000 per year on a recurring basis, with additional one-time start-up costs of \$135,000. All but \$75,000 of these costs may be offset by fees to be established by the Department of Human Services as provided in the measure. The financial effect on local government revenues and expenditures cannot be determined.

34 REQUIRES BALANCING TIMBER PRODUCTION, RESOURCE CONSERVATION/PRESERVATION IN MANAGING STATE FORESTS; SPECIFICALLY ADDRESSES TWO FORESTS

RESULT OF "YES" VOTE: "Yes" vote requires managing state forests balancing, as equally beneficial, conservation/preservation and timber production; manages Tillamook, Clatsop forests half for restoration, half for production.

RESULT OF "NO" VOTE: "No" vote retains current law allowing mixed use state forest management; rejects: requiring management that values conservation and production equally, separately managing Tillamook, Clatsop Forests.

SUMMARY: Current law directs that Board of Forestry manage all state forests to maximize "permanent value" (defined by board) through mixed use, including timber sales, mining, protecting, conserving, utilizing forests. Measure requires management defining "permanent value" as balancing sustainable timber production with water, wildlife, watershed protection, recreation, forest restoration, considering resource conservation equally beneficial to timber production. Manages Tillamook, Clatsop Forests half for forest restoration, prioritizing drinking water, habitat, fish protection; half for sustainable timber production, with restoration management steps recommended by restoration science team. Addresses using timber revenues for common School Fund, forest restoration management (board providing additional funding as needed); continues current local school funding levels. Measure declares it replaces any other management plan for Clatsop, Tillamook Forests adopted in 2004 election. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: With respect to the Tillamook and Clatsop State Forests:

The measure is estimated to increase state expenditures by \$1.5 million to \$6.3 million per year;

The measure is estimated to decrease state revenue by \$4.2 million to \$10.3 million per year;

The measure is estimated to require approximately \$2 million of one-time state expenditures;

The measure is estimated to decrease revenues for local governments by \$17.2 million to \$19.4 million per year; and

There is no financial effect on local government expenditures.

The impact of the measure on other state forests cannot be determined.

STATE OF OREGON

ONLY THE CAPTION AND QUESTION WILL APPEAR ON YOUR OFFICIAL BALLOT AND ONLY THE APPROPRIATE MEASURES FOR EACH PRECINCT WILL APPEAR ON THAT PRECINCT'S BALLOT.

35 AMENDS CONSTITUTION: LIMITS NONECONOMIC DAMAGES (DEFINED) RECOVERABLE FOR PATIENT INJURIES CAUSED BY HEALTHCARE PROVIDER'S NEGLIGENCE OR RECKLESSNESS

RESULT OF "YES" VOTE: "Yes" vote limits recovery of noneconomic damages (defined) for negligent or reckless injury to patient by healthcare provider to \$500,000 (adjusted annually for inflation).

RESULT OF "NO" VOTE: "No" vote retains current law, which places no limit on jury award of noneconomic damages (defined) for injury caused by negligence, recklessness of healthcare provider.

SUMMARY: Amends constitution. Under current law, there is generally no limit on jury's award of noneconomic damages to patient, patient's legal representative, or patient's spouse for injury caused by healthcare provider. Measure limits recovery of noneconomic damages for negligent or reckless injury caused by an Oregon licensed healthcare provider or healthcare entity to \$500,000. Defines noneconomic damages to include pain; mental suffering; emotional distress; loss of society, companionship, services; loss of sexual relations; inconvenience; interference with normal and usual activities apart from employment. Specifies formula to adjust for inflation annually. Limitation applies regardless of extent of injuries, number of people entitled to damages, or number of defendants sued. Does not apply to wrongful death claims. Applies to suits filed after January 1, 2005. Other provisions.

ESTIMATE OF FINANCIAL IMPACT: There is no financial effect on state or local government expenditures or revenues.

36 AMENDS CONSTITUTION: ONLY MARRIAGE BETWEEN ONE MAN AND ONE WOMAN IS VALID OR LEGALLY RECOGNIZED AS MARRIAGE

RESULT OF "YES" VOTE: "Yes" vote adds to Oregon constitution declaration of policy that only marriage between one man and one woman is valid or legally recognized as marriage.

RESULT OF "NO" VOTE: "No" vote retains existing constitution without a provision declaring that only marriage between one man and one woman is valid or legally recognized as marriage.

SUMMARY: Amends constitution. Oregon statutes currently provide that marriage is a civil contract entered into in person between individuals of the opposite sex, that is, between males and females at least 17 years of age who solemnize the marriage by declaring "they take each other to be husband and wife." The existing Oregon Constitution contains no provision governing marriage. Currently, the State of Oregon recognizes out-of-state marriages that are valid in the state where performed, unless the marriage violates a strong public policy of Oregon. Measure adds to Oregon Constitution a declaration that the policy of the State of Oregon and its political subdivisions is that "only a marriage between one man and one woman shall be valid or legally recognized as a marriage."

ESTIMATE OF FINANCIAL IMPACT: There is no financial effect on state or local government expenditures or revenues.

37 GOVERNMENTS MUST PAY OWNERS, OR FORGO ENFORCEMENT, WHEN CERTAIN LAND USE RESTRICTIONS REDUCE PROPERTY VALUE

RESULT OF "YES" VOTE: "Yes" vote requires that governments pay owners, or forgo enforcement by repealing, changing, not applying restrictions, when certain land use restrictions reduce owners' property value.

RESULT OF "NO" VOTE: "No" vote rejects requiring that governments pay owners or forgo enforcement by repealing, changing, not applying restrictions, when certain land use restrictions reduce property value.

SUMMARY: Currently, Oregon Constitution requires government(s) to pay owner "just compensation" when condemning private property or taking it by other action, including laws precluding all substantial beneficial or economically viable use. Measure enacts statute requiring that when state, city, county, metropolitan service district enacts or enforces land use regulation that restricts use of private real property or interest thereon, government must pay owner reduction in fair market value of affected property interest, or forgo enforcement. Governments may repeal, change, or not apply restrictions in lieu of payment; if compensation not timely paid, owner not subject to restrictions. Applies to restrictions enacted after "family member" (defined) acquired property. Creates civil right of action including attorney fees. Provides no new revenue source for payments. Certain exceptions. Other provisions.

ESTIMATE OF FINANCIAL IMPACT:

The measure would require state administrative expenditures to respond to claims for compensation of between \$18 million and \$44 million per year.

The measure may require compensation to landowners. The amount of state expenditures needed to pay claims for compensation cannot be determined.

There is no financial effect on state revenues.

The measure would require local government administrative expenditures to respond to claims for compensation of between \$46 million and \$300 million per year.

The measure may require compensation to landowners. The amount of local government expenditures needed to pay claims for compensation cannot be determined.

The effect of the measure on local government revenues cannot be determined.

38 ABOLISHES SAIF; STATE MUST REINSURE, SATISFY SAIF'S OBLIGATIONS; DEDICATES PROCEEDS, POTENTIAL SURPLUS TO PUBLIC PURPOSES

RESULT OF "YES" VOTE: "Yes" vote abolishes SAIF; state must reinsure, satisfy SAIF's current obligations (including pending policyholder claims against SAIF); dedicates proceeds, potential surplus to specified public purposes.

RESULT OF "NO" VOTE: "No" vote retains law authorizing SAIF, a public corporation, to sell and administer workers compensation insurance and to administer an accident fund for that purpose.

SUMMARY: State Accident Insurance Fund (SAIF) is a public corporation selling, administering workers compensation insurance, and administering accident fund for that purpose. Measure abolishes SAIF. Requires state to assume SAIF's authority over accident fund; reinsure fund; satisfy SAIF's obligations under its existing policies; use fifty percent of any excess surplus (meaning any funds exceeding reserves and surplus necessary to satisfy future liabilities) to satisfy policyholder claims in litigation before October 2003; transfer forty percent of any excess surplus to new fund; sell SAIF's assets; transfer proceeds to same fund; and reinsure, otherwise resolve SAIF's remaining liabilities. Dedicates new fund to supporting schools, local law enforcement; providing medications to seniors, medically needy; promoting job growth. Requires certain reports to legislature regarding rates for insurance premiums. Other provisions.

ESTIMATE OF FINANCIAL IMPACT:

The measure would reduce state revenue by approximately \$405 million per year and would reduce state expenditures by approximately \$301 million per year due to the elimination of SAIF.

The measure would require additional state government expenditures of \$1.8 million to \$5.5 million per year on a recurring basis with an additional one-time expenditure of \$2.2 billion to \$2.4 billion.

There will be a one-time increase of state revenues of \$32.6 million from sale of real property.

The measure would require local government expenditures of \$2.6 million to \$10.5 million per year on a recurring basis.

There is no financial effect on local government revenues.
