Senate Joint Resolution 19—Referred to the Electorate of Oregon by the 2003 Legislative Assembly to be voted on at the General Election, November 2, 2004.

## Ballot Title

# 31

**AMENDS CONSTITUTION: AUTHORIZES LAW PERMITTING POSTPONEMENT OF ELECTION FOR PARTICULAR PUBLIC OFFICE WHEN NOMINEE FOR OFFICE DIES**

**RESULT OF “YES” VOTE:** “Yes” vote amends constitution to authorize law providing that an election for a particular public office may be postponed when nominee for that office dies.

**RESULT OF “NO” VOTE:** “No” vote retains existing law, which contains no provision permitting postponement of an election for a particular public office when nominee for that office dies.

**SUMMARY:** Amends constitution. Current law does not provide for the enactment of a law postponing an election for a particular public offices when a nominee for that office dies. Measure authorizes the legislature to enact a law permitting postponement of an election for a particular public office when a candidate nominated for that office dies; in that circumstance, the legislature may enact a law: (1) allowing the postponement of the regularly scheduled election for the office in question; (2) allowing the office in question to be filled at a subsequent election; and (3) prohibiting the votes cast for candidates at the regularly scheduled election for the office in question from being considered. Measure does not affect election process for other candidates or measures on the ballot.

**ESTIMATE OF FINANCIAL IMPACT:** There is no financial effect on state or local government expenditures or revenues.

Proposed by initiative petition to be voted on at the General Election, November 2, 2004.

## Ballot Title

# 33

**AMENDS MEDICAL MARIJUANA ACT: REQUIRES MARIJUANA DISPENSARIES FOR SUPPLYING PATIENTS/ CAREGIVERS; RAISES PATIENTS’ POSSESSION LIMIT**

**RESULT OF “YES” VOTE:** “Yes” vote amends Medical Marijuana Act: requires creating marijuana dispensaries to supply patients/caregivers; allows dispensary/caregiver sales to patients; increases amount patients may possess.

**RESULT OF “NO” VOTE:** “No” vote retains current Oregon Medical Marijuana Act, which allows registered patients to possess limited amounts of marijuana for medical purposes, and prohibits marijuana sales.

**SUMMARY:** Oregon Medical Marijuana Act currently allows registered patients to possess/deliver/produce limited amounts of marijuana for medical purposes. Current law prohibits all marijuana sales, including sales to patients. Measure creates licensing program for nonprofit, regulated medical marijuana dispensaries, which may supply six pounds marijuana yearly per patient. Permits dispensaries to sell marijuana to registered patients/caregivers; percentage of proceeds funds program. Requires dispensaries to provide indigent patients marijuana. Requires county health departments in counties without licensed dispensaries to become dispensaries and supply marijuana to registered patients. Allows designated caregivers to sell marijuana to their registered patients. Increases marijuana registered patients may possess to ten mature plants, any number seedlings, one pound usable marijuana (six pounds if patient grows only one crop yearly). Other provisions.

**ESTIMATE OF FINANCIAL IMPACT:** The measure would require state expenditures of \$340,000 to \$560,000 per year on a recurring basis, with additional one-time start-up costs of \$135,000. All but \$75,000 of these costs may be offset by fees to be established by the Department of Human Services as provided in the measure. The financial effect on local government revenues and expenditures cannot be determined.

Senate Joint Resolution 14 — Referred to the Electorate of Oregon by the 2003 Legislative Assembly to be voted on at the General Election, November 2, 2004.

# 32

**AMENDS CONSTITUTION: DELETES REFERENCE TO MOBILE HOMES FROM PROVISION DEALING WITH TAXES AND FEES ON MOTOR VEHICLES.**

**RESULT OF “YES” VOTE:** “Yes” vote allows taxes and fees on mobile homes to be used for nonhighway purposes.

**RESULT OF “NO” VOTE:** “No” vote retains restriction on use of taxes and fees on mobile homes.

**SUMMARY:** This measure authorizes expenditure of taxes and fees on mobile homes for nonhighway purposes. Under current law, taxes and fees on mobile homes are required to be spent for highway or administrative purposes, but may also be used for park purposes.

**ESTIMATE OF FINANCIAL IMPACT:** There is no financial effect on state or local government expenditures or revenues.

Proposed by initiative petition to be voted on at the General Election, November 2, 2004.

## Ballot Title

# 34

REQUIRES BALANCING TIMBER PRODUCTION, RESOURCE CONSERVATION/PRESERVATION IN MANAGING STATE FORESTS; SPECIFICALLY ADDRESSES TWO FORESTS

**RESULT OF "YES" VOTE:** "Yes" vote requires managing state forests balancing, as equally beneficial, conservation/preservation and timber production; manages Tillamook, Clatsop forests half for restoration, half for production.

**RESULT OF "NO" VOTE:** "No" vote retains current law allowing mixed use state forest management; rejects: requiring management that values conservation and production equally, separately managing Tillamook, Clatsop Forests.

**SUMMARY:** Current law directs that Board of Forestry manage all state forests to maximize "permanent value" (defined by board) through mixed use, including timber sales, mining, protecting, conserving, utilizing forests. Measure requires management defining "permanent value" as balancing sustainable timber production with water, wildlife, watershed protection, recreation, forest restoration, considering resource conservation equally beneficial to timber production. Manages Tillamook, Clatsop Forests half for forest restoration, prioritizing drinking water, habitat, fish protection; half for sustainable timber production, with restoration management steps recommended by restoration science team. Addresses using timber revenues for common School Fund, forest restoration management (board providing additional funding as needed); continues current local school funding levels. Measure declares it replaces any other management plan for Clatsop, Tillamook Forests adopted in 2004 election. Other provisions.

### ESTIMATE OF FINANCIAL IMPACT:

With respect to the Tillamook and Clatsop State Forests:  
The measure is estimated to increase state expenditures by \$1.5 million to \$6.3 million per year;  
The measure is estimated to decrease state revenue by \$4.2 million to \$10.3 million per year;  
The measure is estimated to require approximately \$2 million of one-time state expenditures;  
The measure is estimated to decrease revenues for local governments by \$17.2 million to \$19.4 million per year; and  
There is no financial effect on local government expenditures.

The impact of the measure on other state forests cannot be determined.

Proposed by initiative petition to be voted on at the General Election, November 2, 2004.

# 35

AMENDS CONSTITUTION: LIMITS NONECONOMIC DAMAGES (DEFINED) RECOVERABLE FOR PATIENT INJURIES CAUSED BY HEALTHCARE PROVIDER'S NEGLIGENCE OR RECKLESSNESS

**RESULT OF "YES" VOTE:** "Yes" vote limits recovery of non-economic damages (defined) for negligent or reckless injury to patient by healthcare provider to \$500,000 (adjusted annually for inflation).

**RESULT OF "NO" VOTE:** "No" vote retains current law, which places no limit on jury award of noneconomic damages (defined) for injury caused by negligence, recklessness of healthcare provider.

**SUMMARY:** Amends constitution. Under current law, there is generally no limit on jury's award of noneconomic damages to patient, patient's legal representative, or patient's spouse for injury caused by healthcare provider. Measure limits recovery of noneconomic damages for negligent or reckless injury caused by an Oregon licensed healthcare provider or healthcare entity to \$500,000. Defines noneconomic damages to include pain; mental suffering; emotional distress; loss of society, companionship, services; loss of sexual relations; inconvenience; interference with normal and usual activities apart from employment. Specifies formula to adjust for inflation annually. Limitation applies regardless of extent of injuries, number of people entitled to damages, or number of defendants sued. Does not apply to wrongful death claims. Applies to suits filed after January 1, 2005. Other provisions.

**ESTIMATE OF FINANCIAL IMPACT:** There is no financial effect on state or local government expenditures or revenues.

Proposed by initiative petition to be voted on at the General Election, November 2, 2004.

## Ballot Title

# 36

AMENDS CONSTITUTION: ONLY MARRIAGE BETWEEN ONE MAN AND ONE WOMAN IS VALID OR LEGALLY RECOGNIZED AS MARRIAGE

**RESULT OF "YES" VOTE:** "Yes" vote adds to Oregon constitution declaration of policy that only marriage between one man and one woman is valid or legally recognized as marriage.

**RESULT OF "NO" VOTE:** "No" vote retains existing constitution without a provision declaring that only marriage between one man and one woman is valid or legally recognized as marriage.

**SUMMARY:** Amends constitution. Oregon statutes currently provide that marriage is a civil contract entered into in person between individuals of the opposite sex, that is, between males and females at least 17 years of age who solemnize the marriage by declaring "they take each other to be husband and wife." The existing Oregon Constitution contains no provision governing marriage. Currently, the State of Oregon recognizes out-of-state marriages that are valid in the state where performed, unless the marriage violates a strong public policy of Oregon. Measure adds to Oregon Constitution a declaration that the policy of the State of Oregon and its political subdivisions is that "only a marriage between one man and one woman shall be valid or legally recognized as a marriage."

**ESTIMATE OF FINANCIAL IMPACT:** There is no financial effect on state or local government expenditures or revenues.

Proposed by initiative petition to be voted on at the General Election, November 2, 2004.

## Ballot Title

# 37

GOVERNMENTS MUST PAY OWNERS, OR FORGO ENFORCEMENT, WHEN CERTAIN LAND USE RESTRICTIONS REDUCE PROPERTY VALUE

**RESULT OF "YES" VOTE:** "Yes" vote requires that governments pay owners, or forgo enforcement by repealing, changing, not applying restrictions, when certain land use restrictions reduce owners' property value.

**RESULT OF "NO" VOTE:** "No" vote rejects requiring that governments pay owners or forgo enforcement by repealing, changing, not applying restrictions, when certain land use restrictions reduce property value.

**SUMMARY:** Currently, Oregon Constitution requires government(s) to pay owner "just compensation" when condemning private property or taking it by other action, including laws precluding all substantial beneficial or economically viable use. Measure enacts statute requiring that when state, city, county, metropolitan service district enacts or enforces land use regulation that restricts use of private real property or interest therein, government must pay owner reduction in fair market value of affected property interest, or forgo enforcement. Governments may repeal, change, or not apply restrictions in lieu of payment; if compensation not timely paid, owner not subject to restrictions. Applies to restrictions enacted after "family member" (defined) acquired property. Creates civil right of action including attorney fees. Provides no new revenue source for payments. Certain exceptions. Other provisions.

**ESTIMATE OF FINANCIAL IMPACT:** The measure would require state administrative expenditures to respond to claims for compensation of between \$18 million and \$44 million per year.

The measure may require compensation to landowners. The amount of state expenditures needed to pay claims for compensation cannot be determined.

There is no financial effect on state revenues.

The measure would require local government administrative expenditures to respond to claims for compensation of between \$46 million and \$300 million per year.

The measure may require compensation to landowners. The amount of local government expenditures needed to pay claims for compensation cannot be determined.

The effect of the measure on local government revenues cannot be determined.

## Ballot Title

# 38

### ABOLISHES SAIF; STATE MUST REINSURE, SATISFY SAIF'S OBLIGATIONS; DEDICATES PROCEEDS, POTENTIAL SURPLUS TO PUBLIC PURPOSES

**RESULT OF "YES" VOTE:** "Yes" vote abolishes SAIF; state must reinsurance, satisfy SAIF's current obligations (including pending policyholder claims against SAIF); dedicates proceeds, potential surplus to specified public purposes.

**RESULT OF "NO" VOTE:** "No" vote retains law authorizing SAIF, a public corporation, to sell and administer workers compensation insurance and to administer an accident fund for that purpose.

**SUMMARY:** State Accident Insurance Fund (SAIF) is a public corporation selling, administering workers compensation insurance, and administering accident fund for that purpose. Measure abolishes SAIF. Requires state to assume SAIF's authority over accident fund; reinsurance fund; satisfy SAIF's obligations under its existing policies; use fifty percent of any excess surplus (meaning any funds exceeding reserves and surplus necessary to satisfy future liabilities) to satisfy policyholder claims in litigation before October 2003; transfer forty percent of any excess surplus to new fund; sell SAIF's assets; transfer proceeds to same fund; and reinsurance, otherwise resolve SAIF's remaining liabilities. Dedicates new fund to supporting schools, local law enforcement; providing medications to seniors, medically needy; promoting job growth. Requires certain reports to legislature regarding rates for insurance premiums. Other provisions.

#### ESTIMATE OF FINANCIAL IMPACT:

The measure would reduce state revenue by approximately \$405 million per year and would reduce state expenditures by approximately \$301 million per year due to the elimination of SAIF.

The measure would require additional state government expenditures of \$1.8 million to \$5.5 million per year on a recurring basis with an additional one-time expenditure of \$2.2 billion to \$2.4 billion.

There will be a one time increase of state revenues of \$32.6 million from sale of real property.

The measure would require local government expenditures of \$2.6 million to \$10.5 million per year on a recurring basis.

There is no financial effect on local government revenues.

## MEASURE 30-11

### UMATILLA COUNTY

#### CAPTION: Five-year Local Option Tax For Sheriff's Office Services

**QUESTION:** Shall \$1.05 per \$1,000 of assessed value be imposed for operations of Sheriff's Office for five years beginning 7/1/2005? This measure may cause property taxes to increase more than three percent.

**SUMMARY:** Umatilla County will use the tax revenue from this measure for additional support to the Umatilla County Sheriff's Office. The tax revenue is intended to be used to add staff to the patrol division, jail and dispatch center, and to raise existing Sheriff's Office wages where appropriate to be competitive with other certified law enforcement positions in the county. With the additional revenue, the Sheriff's Office intends to add approximately 17 new patrol/investigations staff, 14 new jail staff to allow an increase in the jail capacity, and one new dispatcher. The proposed rate will raise approximately \$3.3 million in 2005-2006, \$3.4 million in 2006-2007; \$3.5 million in 2007-2008; \$3.8 million in 2008-2009 and \$3.9 million in 2009-2010. The estimated tax cost for this measure is an ESTIMATE ONLY based upon the best information available from the Umatilla County assessor at the time of estimate.

**MEASURE 30-33****CITY OF MILTON-FREEWATER****CAPTION: FIVE-YEAR LOCAL OPTION TAX TO PROVIDE PUBLIC TRANSPORTATION**

**QUESTION:** Shall Milton-Freewater levy \$60,000 annually for five years beginning in FY 06 for operating and governmental purposes for public transportation programs?

**SUMMARY:** This measure would authorize a five year levy of \$60,000 per year for a total of \$300,000 to continue the Senior/Disabled Transportation programs previously supported by voters. Plans are to subsidize public transportation by bus and taxi for senior and disabled citizens. The local option tax would initially subsidize the total cost of the transportation programs by approximately 53%. The City distributed 7,580 taxi tickets in 2003. This tax is expected to increase the tax rate 37 cents and would cost the owner of a home assessed at \$75,000 TMV, \$27.75 per year. The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the County Assessor at the time of the estimate. The local option tax is subject to the limits of section 11b, Article XI of the Oregon Constitution and revenues raised will not be used exclusively for educational and support services but for subsidizing public transportation programs such as senior and disabled taxi ticket program. The proposed tax measure if approved would not reduce property tax collections for other units of government.

**MEASURE 30-34**  
**CITY OF PENDLETON**

**ARTS, CEMETERY, CONVENTION CENTER, PARKS, RECREATION,  
ROUND-UP,  
GENERAL OBLIGATION BONDS**

**Question:** Shall Pendleton sell not more than \$7,980,000 general obligation capital improvement bonds to mature in not more than 21 years?

If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

**Explanation:** This measure authorizes the City to issue general obligation bonds to construct, equip and furnish capital construction and improvement projects for a variety of City-owned facilities, including the Pendleton Center for the Arts; the Pendleton Round-Up; Pendleton Convention Center; City parks, including a skate board park and the little league park; Olney Cemetery; the Pendleton Family Aquatic Center; and the Vert Community Auditorium. The bonds would mature over a period of not to exceed 21 years.

**MEASURE 30-50**

WEST UMATILLA VECTOR CONTROL DISTRICT  
LOCAL OPTION LEVY 2004

**CAPTION:** FIVE-YEAR LOCAL OPTION LEVY FOR VECTOR (MOSQUITO) CONTROL OPERATIONS

**QUESTION:** Shall Vector Control District levy .05 per \$1000 of assessed value for surveillance, education, and treatment of West Nile Virus?

**SUMMARY:** The West Umatilla Vector Control District will use the tax revenue from this measure to provide improvements to general operations, including the following:

- Improved response to West Nile Virus or other mosquito-borne disease.
- Increased utilization of aircraft for mosquito control operations.
- Improved outreach programs and public education efforts.
- Increased utilization of available technology for mosquito control operations.
- Vehicle and equipment replacement.
- Provide funding for land acquisition

The proposed levy will raise approximately \$83,720 in 2005-06, \$86,231 in 2006-07, \$88,819 in 2007-08, \$91,484 in 2008-09, and \$94,229 in 2009-2010. This estimate is based on the best available information from the Umatilla County Assessor, and is an ESTIMATE ONLY. This levy would cost the owner of a home with an assessed value of \$100,000, \$5.00 per year.

**MEASURE 30-51**  
**MILTON-FREEWATER SCHOOL DISTRICT**

**CAPTION:** Milton-Freewater Unified School District General Obligation Bond Authorization

**QUESTION:** Shall the District issue general obligation bonds not exceeding \$14.5 million to expand and import its facilities? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of Section 11b, Article XI of the Oregon Constitution.

**SUMMARY:** To provide safe and adequate facilities for our students and to protect investment in existing buildings, the Board has determined that improvements must be made to the District's facilities. If approved, proceeds would be used to:

- Acquire land and construct, equip and furnish a new elementary/middle school for grades 4 through 8;
- Construct, equip and furnish a band room addition to the high school;
- Ready existing District facilities for primary use;

The bonds will mature over a period not to exceed 21 years from date of issuance and may be issued in one or more series.
