Senate Joint Resolution 17—Referred to the Electorate of Oregon by the 2001 Legislature to be voted on at the Primary Election, May 21, 2002.

## BALLOT TITLE

### 10 AMENDS CONSTITUTION: ALLOWS PUBLIC UNIVERSITIES TO RECEIVE EQUITY IN PRIVATE COMPANIES AS COMPENSATION FOR PUBLICLY CREATED TECHNOLOGY

**RESULT OF "YES" VOTE:** "Yes" vote allows Oregon public universities to receive equity (stock) for technology that schools create and to hold certain stocks invested in Oregon technology development.

**RESULT OF "NO" VOTE:** "No" vote rejects proposal allowing Oregon public universities to receive equity (stock) for technology that schools create or hold stocks invested in Oregon technology development.

**SUMMARY:** Currently, the Oregon Constitution prohibits the state from subscribing to or being interested in the stock of any company. The Constitution provides exceptions to that provision, allowing public colleges and universities to receive, hold, dispose of and receive dividends from stocks donated or bequeathed for higher education purposes. This measure amends the Oregon Constitution, allowing public colleges and universities to be compensated with stock when private companies use technology the schools created. The measure also allows public colleges and universities to hold stock received before December 5, 2002, if that stock was received as a state asset invested in the creation or development of technology within Oregon. The measure does not permit the use of taxpayer money for speculation or investment in the stock market.

**ESTIMATE OF FINANCIAL IMPACT:** There is no financial effect on state or local government expenditures or revenues.

House Joint Resolution 76—Referred to the Electorate of Oregon by the Legislative Assembly of the 2002 Second Special Session to be voted on at the Primary Election, May 21, 2002.

## BALLOT TITLE

### 13 AMENDS CONSTITUTION: AUTHORIZES USING EDUCATION FUND PRINCIPAL IN SPECIFIED CIRCUMSTANCES; TRANSFERS \$220 MILLION TO SCHOOL FUND

**RESULT OF "YES" VOTE:** "Yes" vote converts education endowment fund to stability fund; authorizes, conditions using fund principal for education; transfers \$220 million from fund to School Fund.

**RESULT OF "NO" VOTE:** "No" vote rejects: converting education endowment fund to stability fund; authorizing, conditioning use of fund principal; transferring \$220 million from fund to School Fund.

**SUMMARY:** Amends constitution. Under existing law, the state deposits a portion of state lottery proceeds into the education endowment fund; fund's earnings are used for public education, student assistance; principal is retained in fund. Measure converts education endowment fund to education stability fund. Measure authorizes legislature to use any portion of education stability fund principal for public education if three-fifths of the members of each house of legislature approve, and either (1) legislature makes required finding as to decline in projected state revenue or in seasonally adjusted nonfarm employment, or (2) Governor declares emergency. On May 1, 2003, measure transfers \$220 million from stability fund to State School Fund to be used as provided by law for moneys in State School Fund. Other provisions.

**ESTIMATE OF FINANCIAL IMPACT:** The education stability fund will be reduced by \$220 million in May 2003. This amount will go into the State School Fund to be distributed to school districts at that time.

Earnings on this education stability fund will be reduced by an estimated \$10.7 million per year beginning in mid-2003.

This measure has no financial effect on local government expenditures or revenues.

House Joint Resolution 19—Referred to the Electorate of Oregon by the 2001 Legislature to be voted on at the Primary Election, May 21, 2002.

## BALLOT TITLE

### 11 AMENDS CONSTITUTION: AUTHORIZES LESS EXPENSIVE GENERAL OBLIGATION BOND FINANCING FOR OHSU MEDICAL RESEARCH AND OTHER CAPITAL COSTS

**RESULT OF "YES" VOTE:** "Yes" vote would authorize state to issue less expensive general obligation bonds rather than more expensive revenue bonds to finance OHSU medical research, capital costs.

**RESULT OF "NO" VOTE:** "No" vote rejects authorization for state to issue less expensive general obligation bonds to finance OHSU capital costs; maintains revenue bond financing under existing law.

**SUMMARY:** Amends Constitution. The measure authorizes the sale of less expensive general obligation bonds, in place of more expensive revenue bonds previously authorized by the 2001 Legislature under the Oregon Opportunity Act. Net bond proceeds, which may not exceed \$200 million, would finance statewide medical and technology research, and other capital costs, for Oregon Health and Science University (OHSU). Bond proceeds may not be used for OHSU operating expenses. The measure limits the amount of the indebtedness incurred under this measure to one-half of one percent of the real market value of all property in the state. Measure specifies sources of repayment: General Fund, lottery funds, tobacco settlement funds, and amounts appropriated from other sources, but not including ad valorem property taxes. Other provisions.

**ESTIMATE OF FINANCIAL IMPACT:** The measure authorizes the issuance of general obligation bonds for Oregon Health and Science University in an amount that produces net proceeds up to \$200 million. Principal and interest on the bonds will cost an estimated \$15.8 million per year for 20 years, for an estimated total cost to the state of \$316 million (including \$115.3 million of interest). Passage provides interest savings of approximately \$1.6 million per year totaling \$31.5 million over the 20 years.

There is no financial effect on local government expenditures or revenues.

P.S. You will notice that the ballot measures contained in this document are numbered 10, 11 and 13. This is not an error; the original Measure 12 was a legislative referral that was removed from the ballot at the request of the legislature and by order of the Marion County Circuit Court.

**QUESTION:** Shall a Park and Recreation District be formed and a permanent rate limit be adopted to operate the District? The proposed permanent rate limit is \$0.28 per \$1,000 of assessed value, to be imposed beginning FY 2002-03.

**SUMMARY:** This measure may be passed only at an election with at least a 50 percent voter turnout. This measure would create a Park and Recreation District in the Hermiston area of Umatilla County, to be governed by a five-member Board of Directors, elected at large. The purpose of the District will be to provide park and recreation services to the community, including construction and operation of indoor/outdoor pool facilities. The boundaries of the proposed District will correspond with the combined boundaries of the Hermiston Cemetery District and the City of Hermiston. This measure seeks voter approval of a permanent rate limit of twenty-eight (\$0.28) per one thousand dollars of assessed value, as the maximum rate of operating taxes for the District.

\$6,000,000 to build  
an indoor/outdoor pool facility? If the bonds  
are approved, they will be payable from taxes  
on property or property ownership that are not  
subject to the limits of sections 11 and 11b,  
Article XI of the Oregon Constitution.

**SUMMARY:** This measure may be passed only at an election with at least a 50 percent voter turnout. If approved, bond proceeds would be used to construct, equip and furnish an indoor/outdoor swimming pool facility for community use. Estimated cost of construction for both facilities is \$7,800,000. Of this amount, \$1,800,000 will be donated locally. The balance of \$6,000,000 will be paid with the proceeds of this bond. The indoor swimming facility would include a natatorium, lap pool, therapy/recreation pool, dressing/shower facilities, snack bar, offices, and multi-purpose room. The outdoor swimming facility would include a lap pool, play pool, tot pool, water slides, deck, lawn/activity area, shower/dressing facilities, snack bar and parking. The bonds would mature over a period of not more than 30 years from date of issuance and may be issued in one or more series.

**CAPTION: FIVE YEAR LOCAL OPTION  
OPERATING TAX FOR EXTRA-CURRICULAR  
ACTIVITIES**

**QUESTION:** Shall Pendleton levy \$ 6 4 5 , 0 0 0 property taxes per year beginning 2002-03 for five years for operating purposes for extra-curricular activities/services? This measure may cause property taxes to increase more than three percent.

**SUMMARY:** This measure may be passed only at an election with at least 50 percent voter turnout.

This measure would raise \$645,000 per year for five years (\$3,225,000 total). The City would use these funds to contract with Pendleton School District 16-R to conduct extra-curricular athletics, maintenance and rent of athletic facilities, outdoor school, and other extra-curricular activities, such as choir, orchestra, band, drama. The tax levy would also fund co-curricular competitions for programs such as math, science, FFA, Future Business Leaders of America and "We the People;" community arts programs for youth; and school-based health clinics. These programs and services would not be funded from the regular school district budget, allowing those funds for basic education. Of the tax amount, \$25,000 per year would be used by the City to support the city's youth center recreation programs.

It is estimated that the proposed tax would result in a rate of \$1.20 per \$1,000 of assessed value in the first year, or a tax of \$120 per year on a property of assessed value of \$100,000.

The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of the estimate.
